Event Details

Compact Fluorescent Light Bulb (CFL) Recycling Event	
Location:	Menlo Park Library Entrance (800 Alma Street)
Date & Time:	April 22, 2009: 10 a.m. to 2 p.m.
Details:	The City of Menlo Park is co-sponsoring a free compact fluorescent light bulb (CFL) recycling event on Earth Day, April 22 nd . Fluorescent light bulbs help the environment by using energy more efficiently, but they contain a small amount of mercury inside the glass tubing. Compact fluorescents cannot go in the trash due to the mercury content. Residents can bring compact fluorescent light bulbs (NOT fluorescent tubes) to the Menlo Park Library for recycling on April 22 nd from 10 am to 2 pm only.
Cost:	FREE
