Celebrate Earth Day at the Menlo Park Library with Peter Brown!

Author and illustrator Peter Brown's newest picture book, *The Curious Garden*, is the perfect Earth Day read-aloud.

While out exploring one day, a little boy named Liam discovers a struggling garden and decides to take care of it. As time passes, the garden spreads throughout the dark, gray city, transforming it into a lush, green world.

Join us as Peter shares this enchanting tale of one boy's quest for a greener world... one garden at a time. You can help Liam make the world a greener place with your very own "Plant Your Own Curious Garden" seed packet.

Follow me to Kepler's. It's our bookstore.
