How to register to participate in the Menlo Park Library's Summer Reading Program

This program is open to children & teens of *all* ages. There are two ways to register:

1.) Visit <http://www.menloparklibrary.org> to sign up online.

OR

2.) Visit the friendly Children's Librarian at the Menlo Park Library to register & get your log book.

Once you are registered, don't forget to do the following:

- Use the log book you get from the library to record the number of books that you plan on reading this summer. Online registrants will use online log books to record titles.
- Visit the library regularly to receive fun rewards, get book recommendations, & participate in goal completion activities.
- **ATTEND THE AWESOME ENTERTAINER SHOWCASES THAT WILL BE TAKING PLACE ALL SUMMER LONG.** (See other side for a complete list of performers & dates.)
- When you have completed your reading goal, stop by the library *no later than July 30th** to pick up your free book prize. Participants that complete their reading goals will be entered into one of the four Grand Prize drawings. The prizes will be revealed once you are registered in the program.

(* We are anticipating construction due to renovation beginning in August and therefore the deadline for completion of the Summer Reading Program is July 30th. However, there will be two GREAT BIG events in August that we hope you will attend!)
