RE: **Recommendations from the Housing Commission to the Planning Commission and City Council Concerning the Downtown/El Camino Real Specific Plan**

As the City Council and Planning Commission begin their process of reviewing and approving the Downtown/El Camino Real Specific Plan, Chair Boyle requested that the Housing Commission review and discuss housing related issues within the plan and make comments or recommendations. Attached are Chapters A, C, and E from the Specific Plan, all of which provide some housing related information. Page E. 21 is of particular interest, and the only page included in the mail version of the agenda. If you are receiving the packet by email, you have been supplied the whole of Chapter E. Please review these sections prior to the meeting and be prepared to discuss and authorize a representative of the commission to speak before the Planning Commission and City Council to relate commission concerns, support, or recommendations.
