### **Details on Burnsville Stabbing Remain Sketchy**

With the assault victims still being treated at Hennepin County Medical Center for their wounds, Burnsville Police Investigators have been unable to talk with them and no details to the circumstances behind the motive or relationship of the people involved are known.

Shortly after officers arrival on the scene on Riverwood Dr., a suspect was developed and a short time later, the suspect, Taylor Pass, 18 years old, from Eagan, was stopped by Savage Police. Pass was brought to the Burnsville Police Department and has since been transferred to the Dakota County Jail pending formal charges to be determined by the Dakota County Attorney's Office.

The Police Department has been unable to notify the victim's immediate families, and as such cannot release their names at this time. Once that notification is made, their information will be released.
