City of Burnsville Seeks Volunteers for Mobile Volunteer Network

For Immediate Release

Tuesday, September 21, 2004

Contact: Marcia Honold – City of Burnsville, 952-895-4435

The City of Burnsville is presently recruiting volunteers and leaders to integrate citizen volunteers with city resources to create a safer and more disaster resistant community. In the event of a large scale disaster the city will need help from community oriented citizens like you!

In the event of a disaster, volunteers who join the City of Burnsville's Mobile Volunteer Network (MVN) will provide assistance to law enforcement, fire department and public works staff by helping with such efforts like directing traffic, assisting with injured persons, searching for missing or lost persons, or other tasks as needed. Citizens who answer the city's call for volunteering will receive proper training and on-going communication to assist the City when the need arises.

As a member of the MVN you will be asked to participate in an emergency preparedness drill in April 2005. If you interested in helping Burnsville be a safer community, please attend the MVN orientation meeting on Thursday, September, 30, 2004, at 7:00 p.m. in Room C-180 at the Burnsville High School. For more information, call Sergeant Eric Werner at (952) 895-4596.
