BLACK DOG ROAD CLOSED DUE TO MINNESOTA RIVER FLOODING

The City of Burnsville has closed Black Dog Road as a safety concern as water from the Minnesota River exceeded flood stage and covered the road today. Barricades have been placed just east of Interstate 35W and near the Eagan border to close access from each direction. Please stay away from this area during times of flooding.

The City of Burnsville will monitor the flooding and re-open the road when safety permits. Notification will be made through the removal of barricades and through the local media outlets.
