**BURNSVILLE FIRE DEPARTMENT SETS OPEN HOUSE FOR
SATURDAY, OCTOBER 7**

Take a tour of a fire station, learn about safety techniques through displays, and see equipment demonstrations at the Burnsville Fire Department's Open House held Saturday, October 7, 2006 from 9:00 a.m. to 1:00 p.m.

The Open House will be held at Fire Station 1, 911 West 140th Street, behind Kohl's. The event is free and open to the public.

Along with getting an up close look at the Fire Department, the Open House also features important safety prevention resources. Residents will be able to practice an escape plan out of a Fire Safety House and take with them life-saving information to make their homes safer.

Help the Burnsville Fire Department kickoff the National Fire Prevention Week by attending our Open House. Fire Prevention Week is held October 8-14, 2006 and "Prevent Cooking Fires-Watch What You Heat" is this year's theme. For more information on the Fire Department Open House please call the Burnsville Fire Department at 952-895-4570.
