PERFORMING ARTS CENTER CONSTRUCTION BEGINS

Work will impact Nicollet Commons Park and Surrounding Streets

Construction on the Burnsville Performing Arts Center will begin Monday, August 27 with site grading and utility work on the site located west of Nicollet Commons Park and north of 126th Street in the Heart of the City. The center is scheduled to be complete and operational by late fall 2008.

Residents and visitors to the area will need to be aware of the following information regarding construction and events held in the area in the weeks ahead.

Closed Streets: A portion of 126th Street from the Heart of the City Park and Ride west to Pillsbury Avenue and a portion of Pillsbury Avenue south of the Real Life Cooperative to 126th Street will be closed for approximately three weeks as work takes place from September 4 through September 25.

Nicollet Commons Park: The final programs planned for Nicollet Commons Park this summer: Friday Night Movie in the Park Friday on August 24 and Sunday Evening Entertainment on Sunday, August 26 will still take place as scheduled. Nicollet Commons Park will remain open to the public, however, the water fountains will be turned off for the season starting Monday, August 27.

For more information on street closures or this project please contact Bud Osmundson at 952-895-4544 or bud.osmundson@ci.burnsville.mn.us. Additional information on the Burnsville Performing Arts Center is available on the internet at www.burnsville.org/pac.
