WINNERS NAMED IN TENTH ANNIVERSARY CITY OF BURNSVILLE HOLIDAY LIGHTING CONTEST

The City of Burnsville hopes to brighten those long winter evenings by recognizing neighbors and neighborhoods who decorate in style for the holidays. The City Council awarded winners in the Tenth Anniversary Holiday Lighting Contest on Tuesday, December 16th.

The City Council holds a wintertime Holiday Lighting Contest and summertime Garden and Landscape Contest to draw attention and bring recognition to those residents who help to build stronger neighborhoods. The top entries in all categories received gift certificates with cash values of \$150, \$100 and \$50, a special anniversary prize and formal recognition from the Burnsville City Council. The Council also awarded a winner in the "WOW" category, an award that is based on the volume of lights and elements in the lighting display and gave special consideration to those homes that used LED lighting to promote energy efficiency.
