BIRNAMWOOD GOLF COURSE IS OPEN FOR THE SEASON

Birnamwood Golf Course, a nine-hole, par 27 course operated by the City of Burnsville, is now open for the season.

The City of Burnsville has operated Birnamwood Golf Course since 1988. The course hosts over 29,000 rounds annually along with a variety of leagues for both youth and adults. Birnamwood also has a commitment to the environment as the course holds the distinction of being the only nine-hole course in the state and one of only 13 Minnesota courses to receive certification through the Audubon Cooperative Sanctuary Program. To date, 396 courses in the world have achieved the distinction, and at 21.5 acres, Birnamwood is the smallest course ever to reach this status.

Visit www.birnamwoodgolfcourse.com or call 952-641-1370 for more information. Birnamwood Golf Course is located at 12215 Parkwood Drive.
