MOVEMENT SPECIALIST TO SPEAK AT PARKINSON'S DISEASE SUPPORT GROUP

WAYNE –Parkinson's disease support group will meet Thursday, October 15 at Preakness Healthcare Center.

The support group will meet 12 noon, in the Boardroom of Building 3, 305 Oldham Road, Wayne.

The building is handicapped accessible. Mike Patterson of Clifton will be the facilitator at the meeting, assisted by Kris Lundquist, ANP.

Dr. Fiona Gupta, Movement Disorder Specialist, will be the guest speaker. She will discuss "Current Concepts in the Treatment of Parkinson's Disease."

Lunch will be served. Please R.S.V.P. to 973-904-3979.

This meeting is open to those with Parkinson's disease as well as caregivers and family members.

The aim of the meetings is to help those affected by Parkinson's disease to share experiences and give support to each other.
