## Fishing is Family Friendly and Fun!

Parent-Child Fishing Program  
with the **MN DNR MinnAqua Program**

Fishing is a great way to get outdoors and introduce you kids to Minnesota's many lakes, rivers and streams. Learn to fish with the special children in your care, and create fun memories that will last a lifetime. Being outside on the water also provides an excellent opportunity to teach kids new things about their environment. A MN DNR MinnAqua Program staff person will help you learn basic skills, the "how-to's", tried and true tips and sensible safety considerations for taking kids fishing. Skills covered in this program will include simple tackle, knot-tying and basic rigging, how to cast a closed-faced combo, safety at the water's edge, and fishing time at the Lake Phalen fishing pier. Bring a lunch and an empty pop can (rinsed, with an intact pull tab) for each adult and child. Every child will go home with his or her own "pop can fishing rig" and starter tackle box. Start a new family tradition together! Space is limited, so register soon!

## Thank You!

### TO OUR SUMMER SPORTS VOLUNTEERS

A special thanks to all of the volunteers who coached Summer Sports at East Corridor Recreation Centers. Our summer sports were T-Ball, Near Ball, Baseball, Softball & Fast Pitch Softball. Without volunteers like you, our programs would not be possible.
